AUXILIARY NEWS

Spring is in the air and the Unit 21 Auxiliary is rolling up our sleeves and getting busy to serve our veterans and their families. On March 17th Cynthia will be serving corn beef and cabbage in celebration of St. Patrick's Day.

We had a disappointing tail-gating due to weather conditions and a boycott to NFL. We will evaluate our program and plan accordingly for next year.

Lana and Marsha are doing a great job as Bingo Co-chairs. We have been having good attendance on Monday nights. We still need help from the auxiliary to work just one Monday a month. Please see Lana or Marsha for details.

We begin daylight savings time on March 11th Spring forward!

First day of spring is March 20th.

Good Friday is March 30th

We are @ 78.6% of membership goal. As a reminder, if you have not paid your dues as of January 1, you are delinquent. National sent out late notices in January so please take care of your membership dues if you have not done so. We want you to keep your continuous years of membership and other benefits as provided through Auxiliary membership.

We have started setting up Poppy distribution with HyVee (details to follow) and Marsha has begun working on Girls State. Both of these pillars are important to National Security as related to Children and youth and providing support to our Veterans.

5th District will be March 21st at the new DAV building on 40 Hwy. Try to attend one meeting soon.

AMERICAN LEGION RIDERS

Greetings Fellow Riders, Legionnaires, Auxiliary, and SAL,

January was a slow month for us. That is not all bad news. That means we lost fewer veterans. We put in 393.5 hours, drove/rode 4490 miles, 13 missions and 3 other events.

We continue to run the 50/50 at Tuesday night Bingo. That has slowed down as well through the holiday months and the cold weather.

It is our hope that you are enjoying the new chairs that we purchased for the hall. We replaced 100 of the torn chairs. Just another step in getting the hall updated and looking nicer.

Our February Burger night was busy, but not as busy as it has been. Again the weather has been cold and it seems to be holding down participation. Come on in March 21st when we will once again be serving our famous burgers 5:00pm to 7:00pm. RIDERS, WE HAVE MADE THIS OUR MONTHLY DINNER RIDE/DRIVE FOR MARCH. LET'S MAKE A GOOD SHOWING! I look forward to you all keeping us busy in the kitchen!

Several Riders participated in the Military Appreciation Night at the Mavericks Hockey games over the weekend of January 26th and 27th. Several Vietnam Vets were pinned including some out on the ice during a period break. We also had a table set up distributing information on The Legion, Auxiliary, Sons of the American Legion and American Legion Riders.

(This is repeated form last month and is still applicable) Riders, some of you I only see once a month at the meeting. I'm asking all of you to do a self examination of your participation. Ask yourself "What have I done this last year to help the Riders and the Post?" If your answer is I attended the meetings then maybe its time to do a little more. Even something as simple as having a couple meals a month at the post to help raise funds. And above all else consider VOLUNTEERING! (There's that "V" word again).

Thank you Riders who participate for all that you do. You make me look good.

Bob Ford - ALR Chapter 21 Director

MARCH 28 POST WILL BE OPEN FROM 2PM- 9PM

SONS OF THE AMERICAN LEGION

Greetings All.

Depending on whether you were a Patriots fan or an Eagles fan, the Superbowl was a great game. Many of us ended up staying home to watch it due to the 1-3" of snow that wasn't forecast.

Hope all of you had a great Valentines as well.

Membership is currently at 68 with several new members and a few that have dropped off the list. Again, if you have renewed and have not received your card, please let me know by calling my cell (816) 728-0468, text message the same, or leave a message at the post. When you do call please verify your address, phone number and email address.

I have printed off some renewal envelopes that are in the Adjutant's office as well as behind the bar in the lounge. Please use them when you renew in person so we can collect the additional information we need for National.

We are still, STILL, looking for someone to step up as officers of the SAL. You will be doing a great service to the post, local charities, as well as yourself.

We are always looking for a way to make money for the SAL and the Post, if you have any ideas, please feel free to forward them to me. If any of you also have a favorite charity that is either Veteran, or Veteran Dependent related, we would like to consider donating to that cause.

The SAL has approved the following donations for the February-March time period.

We donated \$250.00 to the Independence School District to purchase needed items for the less fortunate children in the district.

We are sponsoring 4 young men to go to Boys State this year for a total of \$1660.00.

We are donating \$500 again this year to Camp Valor to help in the rehabilitation of veterans with PTSD.

Meetings are held on the 1st Wednesday of every month at 7:00 PM in the main hall, your attendance is appreciated.

Hope you all have a great month.

Entrenching Tool Weapon of Last Resort

In 1951, Medal of Honor recipient U.S. Army 1st Lt. Benjamin F. Wilson found a weapon of last resort in the entrenching tool. His unit had come upon a much larger enemy force in wach'on-Myon, Korea. Wilson dashed into enemy fire to assist members of his unit who were pinned down and he killed four enemy fighters with his rifle and grenades. Wilson then "led a bayonet attack, which ... killed approximately 27 hostile soldiers," according to his Medal of Honor citation. But enemy forces launched another counterattack. "First Lieutenant Wilson, realizing the imminent threat of being overrun, made a determined lone-man charge, killing seven and wounding two of the enemy, and routing the remainder in disorder."

A third assault ensued, prompting Wilson to resort to fighting with his entrenching tool. "Unhesitatingly, First Lieutenant Wilson charged the enemy ranks and fought valiantly, killing three enemy soldiers with his rifle before it was wrested from his hands, and annihilating four others with his entrenching tool," his award citation read. "His courageous delaying action enabled his comrades to reorganize and effect an orderly withdrawal. While directing evacuation of the wounded, he suffered a second wound, but elected to remain on the position until assured that all of the men had reached safety."

The value of the entrenching tool, or "etool," which is a shovel issued to soldiers and Marines, has come back into the spotlight in recent days after Command Sgt. Maj. John Troxell used it to rally forces over the holidays and via Twitter. Troxell challenged Islamic State fighters to surrender or die and said that U.S. troops could kill them "by beating them to death with our entrenching tools." Troxell is the senior enlisted adviser to Chairman of the Joint Chiefs Gen. Joseph Dunford. The Military Times Hall of Valor includes many citations for medals and awards that U.S. service members have earned for relying on their entrenching tool as a weapon of last resort.

* In 1969, Silver Star recipient U.S. Marine Corps Pfc. Lewis Grover was without his weapon in Quang Nam Province, Vietnam, when he spotted a lone Viet Cong fighter in a bunker. Grover, a rifleman with Company H, 2nd Battalion, 5th Marines, was tasked to refill all of the canteens for his unit when he spotted the enemy. Grover pretended not to notice the fighter, then quietly picked up an entrenching tool he found on the river bank. "He then maneuvered to a position from which he could approach the bunker entrance unseen. When an enemy soldier carrying an automatic weapon came out of the bunker, Private First Class Grover, armed only with the entrenching tool, unhesitatingly attacked the Viet Cong," his award citation reads.

* Finally, there is Medal of Honor recipient U.S. Army Pfc. Anthony T. Kaho'ohanohano. In 1951, Kaho'ohanohano was out of ammunition, wounded and determined to provide cover for retreating friendly forces in Chup'a-ri, South Korea. Kaho'ohanohano was in charge of a machine gun squad

supporting Company H, 2nd Battalion, 17th Infantry Regiment, 7th Infantry Division, when the unit was overrun by a much larger enemy force. "Private Kaho'ohanohano fought fiercely and courageously, delivering deadly accurate fire into the ranks of the onrushing enemy," his award citation read. "When his ammunition was depleted, he engaged the enemy in hand-to-hand combat until he was killed. His heroic stand so inspired his comrades that they launched a counterattack that completely repulsed the enemy. Coming upon Private Kaho'ohanohano's position, the friendly troops found 11 enemy soldiers lying dead before it and two in the emplacement itself, beaten to death with an entrenching shovel."

We have a long way to go to reach 100% of our goal before the end of the Legion year. We have sent out renewal reminder letters to all members that have not renewed their dues. REMEMBER

An army first sergeant and his wife were in a busy shopping center getting things for their youngest child's upcoming engagement announcement. The wife suddenly noticed that her husband was missing and as they had a lot to do, she called him on his cell and said "Where are you, you know we have lots to do." He said "You remember the jewelers we went into when we were stationed here about 10 years ago, and you fell in love with that diamond necklace? I could not afford it at the time, and I said that one day I would get it for you?" Little tears started to flow down her cheek and she got all choked up... "Yes, I do remember that shop." she replied. "Well, I'm in the gun shop next door to that."
