THE COMMANDER'S CORNER

I wanted to take a moment and thank everyone who helped make the National Legacy Run a success! Without each and everyone one of you we could not have pulled this event off and show case our post in front of the National Commander like we did! This was truly a family endeavor and everyone should be proud of what was accomplished as a family unit! Thank You!

Special thanks will be made in the very near future for sure!

Please keep your suggestions coming! You will see that they do not go unanswered or researched. Review the schedule for September and you'll see a change in the menu. We can make all the changes as requested, however it takes the participation to make these a success! The drink specials in the lounge are posted daily, but we are working on daily specials so that they may be added to the calendar.

I want to welcome our new kitchen manager, Darci, to our family! We need to give her all the support and encouragement in her endeavors! In a very short time major improvements have been made, and there are more in the future! Thanks to Darci for taking on this challenge and making a difference!

Since we are on the topic of making a difference, there are still positions that were listed in last month's newsletter still open and need someone to set up and take charge. If you are the loyal member of this post, then step up and help be a part of the team leading this post into its 2nd century! Without YOU, there is no US and without US there is no POST!

September is going to be another busy month for us, so please help when you can! Your efforts are appreciated! Sports day Sunday is back! Come and participate in a day of sports, food and fun. Compliments of the SAL, so come and support them as they say thanks to all of us.

In closing, please keep our post chaplain Bob Settles in your thoughts and prayers as he recovers from his surgery. And any and all members in need of prayers during their time of challenges!

Thanks for All You Do!

Ed Witthar

AUXILIARY NEWS

September is here, and we are entering the Fall season. We are now fully in our new Auxiliary year. We are trying a new system to keep track of our volunteer hours this year. There will be a notebook in the Auxiliary room where you can enter your volunteer hours, where you volunteer and whether you donated in kind donations or money. This can be entered every month instead of you having to keep track of it for the year. We used to do something like this for Community Service, so we are bringing back something that worked and expanding it to all programs. Don't worry about the category it belongs in we will take care of it for you. If you do not attend meetings we would love to see you do so, but if you are unable to attend you can mail us your information to the Post or email it to me at mlynnm55@aol.com and I will make sure it is entered.

We are still in need of volunteers for Bingo, we do not ask you to work every week, we need help to fill in for people ill or unable to be there on their week or someone to take 1 week a month. Bingo is our main fundraiser and how we pay for our charitable donations, so it is important that we have enough people to work it.

Hostesses for our September meeting will be Helen Hatz and Gayle Metzinger.

AMERICAN LEGION RIDERS

Hello Legion Family,

I am extremely proud to be writing to you as the new Director of the American Legion Riders. I have been lucky enough to see some great leaders in this position and I am hopeful that I can continue the success of the Chapter.

Many of you see us at meetings and volunteering around the post. Those of you who are able to make it to Post meetings receive an update on our mileage and hours for the month. We are out representing Post 21 family in many ways, and to many we are the face of the Post. We take this very seriously.

For the Riders we are going to be doing more social rides to enjoy the company of our fellow riders. The PGR was formed by the Legion Riders and that mission is important to us. We do understand that it's also not for everyone and we will work to diversify our experiences and engage more of you.

We have an exciting opportunity for all Legion Members to share in. We have scheduled a Comedy Vets show at the Post on Friday September 21st. Dinner and a show is just \$20. This will help both the Post and the American Legion Riders. Please contact Tom Tanner or any of the Riders for tickets. We want this to be a huge success.

Mark your calendars for the fall Craft Fair on October 20th as well. Tell all of your friends. This is profit sharing venture with the Post and the more customers we have the more money we all make. These shows have been a great success and our vendors are excited to sign up for the next one before they leave.

Thank you again for your support. Until next time.

Don Decker - ALR Chapter 21 Director

SONS OF THE AMERICAN LEGION

Summer is almost over, and it was a hot one this year. Kids are back to school and the Kansas City Chiefs are back on the field.

It's been a busy last few months, with the new officers of the SAL and Charity work. We are hard pressed to keep up.

The monthly newsletter is online, so you can access it and previous month newsletters, when ever and where ever you want from the PC or Mobile device. Go to <http://moalpost21.org> and select Newsletter from the American Legion Post 21 drop down list. The Post Calendar with the kitchen menu, activities, etc. The mailing is going to be only for members that do not have internet access. Also if you have a email address, will be able to access the newsletter from the email you provide.

The 2019 SAL Membership cards are in! Dues are \$20 again this year, \$10 for under 18. This year we have a special envelope for you to put your dues in that will help us keep renewals straight. If you have an updated address, phone number, or email, please make sure you let us know on the envelope. Our goal again this year is to go into the Public and reach out to many that might be Son's, Grand Children or Great Grand Children.

Our Meetings are held on the First Wednesday of each month at 7:00 pm in the Main Hall. All members are welcome to attend. If you can't make it, but have some input or ideas for how to grow our membership, gather funds for our charities, or need to solicit funds for a valid charitable reason, Contact me at salcommander21@gmail.com

This last month the SAL donated \$250 dollars to the Special Olympics Missouri JIMMIE'S Miles for Medals Motorcycle Dice Run that was on August 18th . Many of our members that ride motorcycles attended and donated their time and money as well. The SAL also donated \$250 dollars to the Fisher Home that all processed will help raise money to Build a Fisher home here in Missouri. Many members also participated in the Missouri Patriot Express Dice Run August 26th.

The SAL Sponsored \$100 for the American Legion National Scholarship August 19th that came through Independence and our post hosted Lunch and Supper. Thanks to the Son's who helped in kitchen and around the post.

Would like to Welcome the new members of the Son's. Welcome aboard and thank you for your support.

Football in the Lounge will be starting September 9th. The Son's will be supplying free Hot Dogs and condiments. Feel free to bring in chips or Pot Luck. Lets have a great Football season in the Lounge.

The SAL raises money for different organizations and will be donating throughout this year. We are always looking for other organizations we can help in our community. We focus on helping the Veterans families, especially Children's and special needs organization. SAL had a drive for Back to School Supplies for Independence Homeless Children from K-12. The drive was a success from the members to Bingo and Dance. Back Packs to school supplies and took them to the Independence School District.

FROM THE ADJUTANT'S DESK

The 2019 membership year is here, I would ask that all members renew your dues as soon as possible. This is the 100th Anniversary of both the American Legion and the Post. What better way to help celebrate both by renewing your membership and achieving 100% membership renewal.

At the Department Convention it was discussed and voted on to raise the dues at the Department level by \$5.00 a year per member. The raise will take effect next year; however, it will not affect our membership. When National raised their dues 2 years ago we anticipated Department following suit so when we raised our dues we included the anticipated dues raise.

I am also going to ask that if anyone is interested in volunteering to help in the post to please contact me and let me know when and where you can volunteer. We are in need of volunteers for BINGO, the kitchen, the office and other positions. PLEASE HELP!!!!

In order to have a complete data base I ask that every member send me the name of your spouse, emergency contact information, email address, date of birth, correct phone number, branch of service and war era. If you have moved within the last 6 months, would you please provide me with your new address.

Emails are still a problem. I have been getting a lot of emails bounce back to me for whatever reason. If you feel that you are not receiving emails from the Post PLEASE check your spam settings to ensure correct delivery of the emails. If your spam settings are correct please ensure I DO have your correct email address. If you have changed your email address or have not provided the post with an email address, please send it to me.

If you have anything you would like to be included on the Post web site, feel free to contact me or Bob Ford. The monthly newsletter is now available on the web site. You can also print it directly from the web site.

The e-mail address for Post is adjutantpost21@gmail.com.
